1.

## LINKER M27 (5.56x45)

Reuse your links and reload M27 linkbelts fast and easy.

Technical Specification:

Item no: LM27-000

Depth: 40 cm

Width: 34 cm. inc crank

Height: 42 cm. inc hopper

Weight: 7.3 kg

Material: Steel and plastic

Color: Black

## LINKER M13 (7.62x51)

Reuse your links and reload M13 linkbelts fast and easy.

Technical Specification:

Item no: LM13-000

Depth: 45 cm

Width: 38 cm. inc crank

Height: 47 cm. inc hopper

Weight: 9,5 kg

Material: Steel and plastic

Color: Black

2. |

## LINKER DM1 (7.62x51)

Link your DM1 linkbelts fast and easy.

Technical Specification:

Item no: LDM1-000

Depth: 45 cm

Width: 38 cm. inc crank

Height: 47 cm. inc hopper

Weight: 9,3 kg

Material: Steel and plastic

Color: Black

## LINKER M9 (12.7x99)

Reuse your links and reload M9 linkbelts fast and easy.

Technical Specification:

Item no: LM9-000

Depth: 46 cm

Width: 54 cm. inc crank

Height: 57 cm. inc hopper

Weight: 18 kg

Material: Steel and plastic

Color: Black

3. |

## LINKER PKM (7.62x54R)

Reuse your PKM linkbelts fast and easy.

Technical specifications:

Item no: LPKM-000

Depth: 45 cm

Width: 41 cm. inc crank

Height: 42 cm. inc hopper

Weight: 9,8 kg

Material: Steel and plastic

Color: Black

## LINKER NSV (12.7x108)

Reuse your NSV linkbelts fast and easy.

Technical specifications:

Item no: LNSV-000

Depth: 45 cm

Width: 57 cm. inc crank

Height: 55 cm. inc hopper

Weight: 17 kg

Material: Steel and plastic

Color: Black

4. |

## DELINKER M27 (5.56x45)

Delink your linkbelts fast and easy.  
Separates links from ammunition.

Technical specification:

Item no: DM27-000

Depth: 40 cm

Width: 34 cm. inc crank

Height: 32 cm

Weight: 7 kg

Material: Steel and plastic

Color: Black

## DELINKER M13 (7.62x51)

Delink your linkbelts fast and easy.  
Separates links from ammunition.

Technical specification:

Item no: DM13-000

Depth: 45 cm

Width: 38 cm. inc crank

Height: 36 cm

Weight: 9 kg

Material: Steel and plastic

Color: Black

5. |

## DELINKER DM1 (7.62x51)

Delink your DM1 belts fast and easy.

Technical specification:

Item no: DDM1-000

Depth: 45 cm

Width: 38 cm. inc crank

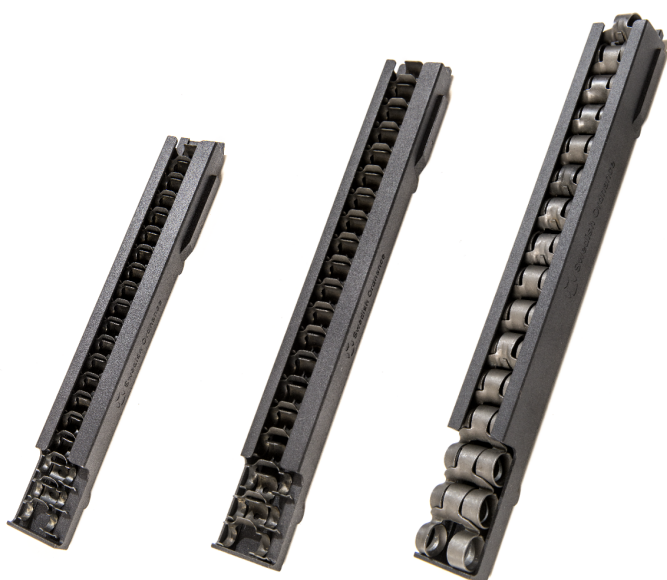

Height: 36 cm

Weight: 9 kg

Material: Steel and plastic

Color: Black

### Some Accessories:

## Benefits

- Save ammocost by relinking your used links.
- Cuts your ammunition expense.
- Save time and makes it easier to reload used ammobelts and links.
- Delink and reload your ammobelt in new order, tracer, dim tracer, etc.
- Delink ammobelt for use in magazines.
- Delink at ammo depot, half or partially used linkbelt.
- More time for shooting exercises.
